

Job Posting

IT SUPPORT TECHNICIAN

Kahnawake

The **IT Support Technician**'s mandate is to provide technical assistance to users of computer systems, software, programs and peripherals. To this end, the incumbent supports users, provides them with the required training and ensures the proper operation of technological equipment. They also install, configure and update software, programs and peripherals. During their mandate, they work closely with other team members to keep them informed of any difficulties encountered by users.

- Do you want to work for an organization whose mission is the personal and professional development of First Nations?
- Are you known for your excellent client service and interpersonal skills?
- Are you proficient with IT equipment and Microsoft 365?
- Are you organized, versatile, resourceful and able to work well under pressure?

Qualifications and Requirements

- Excellent oral and written communication skills in both French and English;
- College degree in computer science or any other relevant field. Any combination of education and relevant experience may be considered.

Do not miss this opportunity and send your résumé by **August 8, 2024**, to: rh@cdrhpnq.qc.ca.

Salary conditions:	According to salary scale, 35-hour week
Mandate duration:	1 year (with the possibility of renewal)
Workplace:	In person (with frequent travel)

*With equal qualifications, priority will be given to First Nations.
